24/7 Support

We are powered by a team of aviation experts who are available to us around the clock, representing some of the best air charter brokers in the industry

Bespoke Service

We offer you a truly unparalleled experience and personal service which is second to none. We will ensure you travel in style and get to avoid busy airports and unnecessary delays. No request is too big or too small and we will ensure all your requirements are catered for.

Anytime, Anywhere

Wherever your destination, whatever the time, we have a plane that will suit all your needs. We have the most up to date information on aircraft availability and we even have access to remote or under-serviced airports which could be closer to your final destination.

Full Aircraft Fleet

We have access to over 40,000 aircraft worldwide with a large and diverse fleet, across 170 different sizes and models.

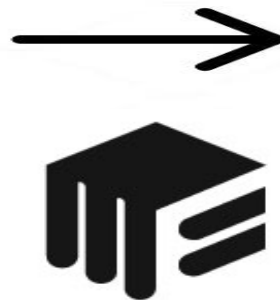

Global Import Services

At Mission Express, our Import service offers collection services from over 200 countries around the World and transport options based on express courier, road, air and sea freight.

Reliable, fully managed and cost effective!

Our comprehensive range of service options will provide the solution to meet your budget and delivery timescales and our booking process is designed to be fast and simple either by our online portal or via our UK based Customer Service Centre.

Contact us: import@missionexpress.com

We provide cost-effective and fully managed UK and International Delivery Services.

What differentiates us from other service providers is our Team, and the added value your company will enjoy.

Quality Account Support

Servicing your account will be an experienced and knowledgeable team, able to provide expert input into solving any shipping need, whether every day or exceptional. Not only that, but you will also be able to access a company representative 24 hours a day.

Leading-edge IT Systems

Our IT systems are specifically designed to provide ready access to the information you need, whenever you need it, wherever you are located. Digital reporting, cloud services and system interfacing with both clients and suppliers all enable a seamless flow of information and increased efficiencies.

Competitive Pricing

Our tariffs are structured to offer you budget stability and optimum rates on a country-by-country basis.

Added-value Services

Mission Express' offering goes beyond collection and delivery. With a range of added value services. These include but are not limited to warehousing, pick & pack, packaging and exhibition services. Our aim is to make our customers' lives easier.

Partnership Ethos

We believe in open communication and encourage clients to discuss their needs and requirements at any level within the organisation. In a rapidly changing commercial environment, we understand the value of collaboration and adaptability.

Least Cost Routing

Mission Express is committed to offering all its customers best value at all times. We operate a rates structure so you can send consignments by the optimum route based on its urgency and budget.

What's it like to be a Mission customer?

Our technology & partnership approach works to minimise risk and maximise quality of service.

Here's how...

- ✓ Acquiring an understanding of the customer's business priorities
- ✓ Account management that confirms roles and responsibilities
- ✓ Regular reviews and published KPI's
- ✓ Transparency of management information
- ✓ Monitoring of work against agreed performance and quality standards
- ✓ Contingency planning to secure continuity and consistency
- ✓ Prompt and decisive action in the event of adverse operational situations
- ✓ Readiness to implement changes

For a complete door-to-door delivery solution, use Mission Express. Their proactive, positive response and approach is refreshing in this industry.
